

Desert West Junior Police Program

Dear Parents or Guardian,

As most of you are well aware, Desert West is offering as an elective, our junior police program.

This program will include guest speakers from all areas of law enforcement and the judicial system.

Field trips to our court house, hopefully to observe a trial, our city jail, community functions and more...

We will bring in ex-gang affiliated members to talk about the dangers that await our children in the streets and will implement drug and alcohol awareness programs.

We will also have uniforms but they are not needed right now. In the future I will send home a notice; I would like the students to have fund raisers to raise money for there uniforms so there will be no cost to you.

Students must have and maintain a C average or better. Any student in the program that is suspended or involved in fighting will be immediately withdrawn from the Junior Police Program.

Thank you, we will have an exciting year!

Mrs. Heintz
